

# The U.S. HIV Care Continuum<sup>1</sup>

The National Alliance for HIV Education and Workforce Development (NAHEWD) represents the national network of AIDS Education and Training Centers (AETCs). The AETCs national, regional, and local centers are a part of the HRSA-funded Ryan White Program. The AETCs provide clinical education to the HIV workforce and capacity-building support to care systems. NAHEWD and its members support the work of the AETCs to build and maintain a well-educated and culturally-sensitive health professions workforce to ensure comprehensive care and treatment to people at-risk for and living with HIV across all phases of the HIV Care Continuum.
