

THE NATIONAL ALLIANCE FOR HIV EDUCATION
AND WORKFORCE DEVELOPMENT PRESENTS:

BRIDGING HIV & SUD: INNOVATIONS IN THE FIELD

Methamphetamines, MSMs, and HIV

Friday, July 1st, 12 pm ET

Presenter:

Martin C. McElhiney, PhD

Assistant Professor of Clinical Medical Psychology in Psychiatry
College of Physicians and Surgeons, Columbia University

[LINK TO WEBINAR REGISTRATION](#)

Description

This presentation will address the use of methamphetamine by the MSM community, its relation to HIV/AIDS, and treatment approaches.

Learning Objectives

- Increase knowledge about crystal methamphetamine.
- Understand how and why it is used in the MSM community.
- Learn about treatment options for those wanting to change their use.

Continuing Education

Social Workers: This program has been approved for 1.0 clock hours by NASW-Missouri Chapter, and may be used to meet continuing education requirements for Social Work Licensure/Certification renewal.

Nurses: Kansas City CARE Clinic is approved as provider of continuing nursing education by the Kansas State Board of Nursing (LT 0256-0609). This course offering is approved for 1.0 contact hours applicable for RN or LPN re-licensure.

Physicians: CME credit provided. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Florida Medical Association and NAHEWD. The Florida Medical Association is accredited by the ACCME to provide continuing medical education for physicians. *The Florida Medical Association designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™.* Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The planners and speakers for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
