

THE NATIONAL ALLIANCE FOR HIV EDUCATION  
AND WORKFORCE DEVELOPMENT PRESENTS:

# BRIDGING HIV & SUD: INNOVATIONS IN THE FIELD

*Psychedelic-assisted treatments for  
Substance Use Disorders and Mental Health*

Friday, February 3, 12 pm ET

Presenter:

Albert Garcia-Romeu, Ph.D.  
Assistant Professor, Behavioral Pharmacology Research Unit  
Department of Psychiatry and Behavioral Sciences  
Johns Hopkins University School of Medicine

[\*\*LINK TO WEBINAR REGISTRATION\*\*](#)

## Description

As clinical trials of psychedelic-assisted therapies progress, the potential of approved psilocybin and MDMA-assisted treatments for anxiety, mood, and substance use disorders (SUDs) looks increasingly promising. Clinicians interested in new mental healthcare treatment options for SUDs can learn about current treatment designs and published study outcomes to consider how psychedelic-assisted therapies might serve people at risk for and living with HIV.

## Learning Objectives

- Identify hypothesized mechanisms of psychedelic-assisted interventions for substance use disorders.
- Critically examine key clinical components of psychedelic-assisted mental health treatments.
- Describe research to date on psychedelic-assisted psychotherapy for the treatment of mental health conditions.

## Continuing Education

**Social Workers:** This program has been approved for 1.0 clock hours by NASW-Missouri Chapter, and may be used to meet continuing education requirements for Social Work Licensure/Certification renewal.

**Nurses:** Kansas City CARE Clinic is approved as provider of continuing nursing education by the Kansas State Board of Nursing (LT 0256-0609). This course offering is approved for 1.0 contact hours applicable for RN or LPN re-licensure.

**Physicians:** CME credit provided. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Florida Medical Association and NAHEWD. The Florida Medical Association is accredited by the ACCME to provide continuing medical education for physicians. *The Florida Medical Association designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™.* Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The planners and speakers for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
