

THE NATIONAL ALLIANCE FOR HIV EDUCATION
AND WORKFORCE DEVELOPMENT PRESENTS:

BRIDGING HIV & SUD: INNOVATIONS IN THE FIELD

HIV, Harm Reduction, and Youth Engagement

Friday, February 2, 12 pm ET

Presenter:

Alix Dittmore

Training and Content Development Coordinator
National Harm Reduction Coalition

[LINK TO WEBINAR REGISTRATION](#)

Description

This training will provide an updated lens on the current state of HIV and substance use in the United States. We will discuss rates of HIV amongst people who use drugs (PWUD) and what unique factors impact health outcomes for them. Guidelines for prevention and meaningful engagement surrounding risk reduction for PWUD will be discussed as well as a focus on engaging youth who are living with HIV and youth engaging in substance use.

Learning Objectives

- Attendees should be able to identify three HIV risk reduction strategies tailored for people who use drugs.
- Attendees should be able to discuss current HIV health disparities amongst people who use drugs.
- Attendees should be able to discuss what meaningful engagement looks like in their differing settings.
- Attendees should be able to identify three things surrounding HIV and Substance Use that particularly impact youth.

Continuing Education

Social Workers: This program has been approved for 1.0 clock hours by NASW-Missouri Chapter, and may be used to meet continuing education requirements for Social Work Licensure/Certification renewal.
