How the War on Drugs Impacts Drug User Health*

Friday, November 3, 12 pm ET

Presenter:

Drew Gibson, MSW  
Director of Advocacy  
AIDS United

[LINK TO WEBINAR REGISTRATION](#)

## Description

Provide an overview of the ways in which the criminalization of drug use and HIV status disrupts relationships between providers and clients, and outline ways of providing care in hostile policy environments.

## Learning Objectives

- Education on current drug/HIV criminalization laws.
- Provide strategies for combatting stigma & engaging people who use drugs.
- HIV & Drug User Health advocacy training.

## Continuing Education

*Social Workers:* This program has been approved for 1.0 clock hours by NASW-Missouri Chapter, and may be used to meet continuing education requirements for Social Work Licensure/Certification renewal.

*Nurses:* Kansas City CARE Clinic is approved as provider of continuing nursing education by the Kansas State Board of Nursing (LT 0256-0609). This course offering is approved for 1.0 contact hours applicable for RN or LPN re-licensure.

*Physicians:* CME credit provided. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Florida Medical Association and NAHEWD. The Florida Medical Association is accredited by the ACCME to provide continuing medical education for physicians. *The Florida Medical Association designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit™.* Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The planners and speakers for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
