## Description

This presentation will provide an overview of the syndemic relationship between chemsex and HIV. It will provide practical screening and evaluation strategies. Additionally, the presentation will provide treatment strategies to address the chemsex phenomenon as well as biomedical intervention considerations for the treatment and prevention of HIV. Real de-identified patient cases will describe strategies for promoting wellness in the population described.

## Learning Objectives

- Participants will be able to define key elements of the chemsex phenomenon including being able to name at least 2 substances commonly used during chemsex.
- Participants will be able to develop care plans for patients engaging in chemsex to maximize patient wellness including safer use/participation strategies.
- Participants will be able to recognize the importance of an HIV-neutral strategy to the management of chemsex including the concept of U=U and the importance of biomedical prevention interventions.
- Participants will be able to evaluate chemsex treatment effectiveness related to the patient's stated outcomes/goals.

## Continuing Education

**Social Workers:** This program has been approved for 1.5 clock hours by NASW-Missouri Chapter, and may be used to meet continuing education requirements for Social Work Licensure/Certification renewal.

**Nurses:** Kansas City CARE Clinic is approved as provider of continuing nursing education by the Kansas State Board of Nursing (LT 0256-0609). This course offering is approved for 1.5 contact hours applicable for RN or LPN re-licensure.

**Physicians:** CME credit provided. This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Florida Medical Association and NAHEWD. The Florida Medical Association is accredited by the ACCME to provide continuing medical education for physicians. *The Florida Medical Association designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credit™.* Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The planners and speakers for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients.
